

## The Local Splash Guarantee

**Local Splash guarantees that your business will *be found* on the first page of a major search engine (Google, Yahoo! and/or Bing) within 6 weeks of your account verification; otherwise, upon request your basic service will be absolutely FREE until your business can *be found* on the first page.**

Our competitors' guarantees may seem similar but they rely on spending *your* money with Google Adwords to get your business **temporarily** on the first page...*anybody can do that.*

Our competitors rely on searching for your business name in order to find you on the first page...*anybody can do that.*

Our guarantee applies to the local map sections and/or organic search results where you will be listed 24 hours a day, 7 days a week!... **Only we do that!**

Local Splash guarantees that your business will be found on the first page of a major search engine using your Service Tag (e.g. Attorney in Santa Rosa, CA) or one of your five business categories (e.g. Criminal Law Attorney, DUI Attorney, Attorney, Law Attorney, Criminal Lawyer). Your Service Tag and business categories will be unique and relevant to your business.

After six weeks of the account verification, if in any month your business cannot be found on the first page for any of those searches then all you have to do is give us a call and we give you a service credit for your next month of basic service.
