

**Client:** JIM Appliance Repair

**Location:** 10+ Locations throughout California

**Customer Since:** August, 2008

**Website:** [www.jimappliances.com](http://www.jimappliances.com)

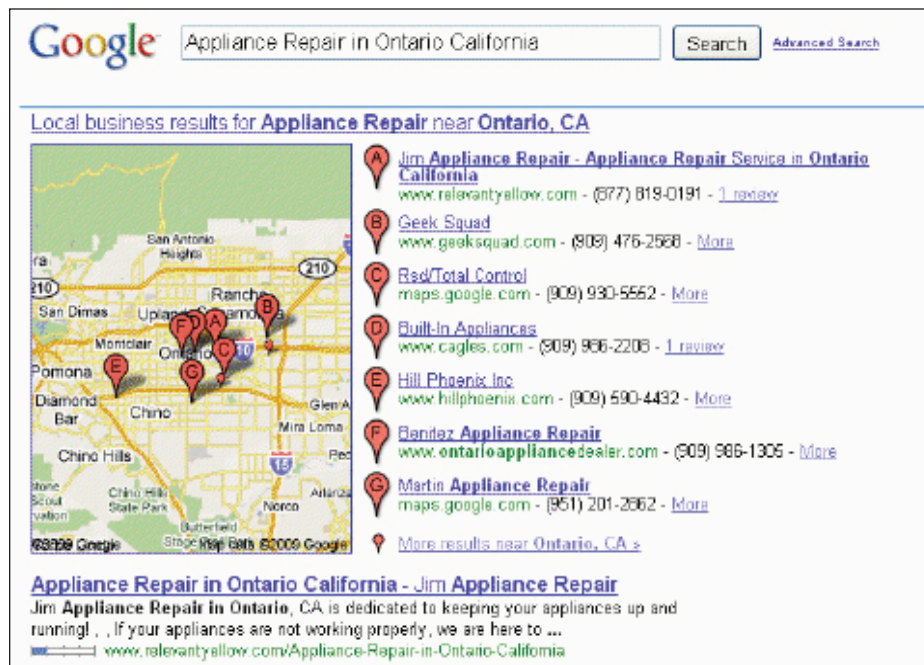

**Opportunity**

Prior to August, 2009, Jim Appliance Repair was using the Yellow Pages and the phone book for all of their advertising needs. Their phones were not ringing and new customers were hard to come by. They decided that they needed exposure on the Internet, and they needed it fast!

**Local Splash Solutions!**

Jim Appliance Repair turned to LocalSplash.com. Within 3 months, Jim Appliance Repair was so satisfied with LocalSplash.com that they had created more than 10 accounts for their locations throughout the state of California. LocalSplash.com has placed them in so many destinations all over the Internet that 14 of their locations can currently be found on the front page of Google local search results! Many of the locations can **be found** for multiple search queries and keywords.
